## **Independent Auditor's Report**

To the Members of  
Kind Space

I have audited the accompanying financial statements of Kind Space, which comprise the statement of financial position as at December 31, 2018, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### Basis for Qualified Opinion

In common with many not-for-profit organizations, Kind Space derives a material amount of revenue from donations and fundraising activities. I was not able to obtain sufficient appropriate audit evidence about the completeness of the reported amounts for accounts receivable, donation and fundraising revenue, revenue in excess of expenditure and changes to net assets because there is no direct relationship between assets or services given up in exchange for amounts received or receivable. Consequently, I was unable to determine whether any adjustments to these amounts were necessary.

## Independent Auditor's Report

### Qualified Opinion

Except as noted in the above paragraph, in my opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2018 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

**2. Significant accounting policies**

The organization applies the Canadian accounting standards for not-for-profit organizations.

**(a) Revenue recognition**

Kind Space follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

**(b) Financial instruments**

The organization's financial instruments consist of accounts receivable, prepaid expenses, accounts payable and accrued liabilities. Unless otherwise noted it is management's opinion that the organization is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying values, unless otherwise noted.

**(c) Capital assets**

The organization expenses its capital assets. During the current year, capital expenditures included \$ - (2017 - \$ -).

**(d) Contributed services**

Directors, committee members and owners volunteer their time to assist in the corporation's activities. While these services benefit the corporation considerably, a reasonable estimate of their amount and fair value cannot be made and, accordingly, these contributed services are not recognized in the financial statements.

**2. Significant accounting policies, continued**

**(e) Use of estimates**

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the balance sheet date and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

**(f) Allocated expenses**

A portion of rent expense is allocated to program expenses based on management's estimate of the relative use of square footage. A portion of salaries and benefits is allocated to program expenses based on the estimate of the level of related effort.
